Spencer, Mike showed me the printing issue he was experiencing. He also confirmed that Hosie Rice does not have a native copy of the document, despite your promise of February 23 that you would produce one. Have you requested the native from Mr. Nelson?

Spencer,

This explanation is very confusing to us. Can you send us the native so we can try to print it on our own end? (We have still not received the native, despite multiple requests.) Additionally, we can get on a Zoom call right now, so we can see you print the document.

Best,  
Christy

You are welcome to send a lawyer to our office and watch us print this document. The first para will not appear. Period. We redacted nothing. Thos was a pure print error, corrected by the prompt production of the native.

Pls include this offer and explanation in your brief, if you (once again) baselessly accuse us of misconduct. You will be misleading the Court otherwise.
